

DM-1006S, DM-506S

ELECTRONIC INSULATION TESTER

- "No Damage" guarantee if connected to a live circuit
- Continuous high voltage output for easy operation
- Safety in use with shrouded inputs
- Ideal for measuring high resistance

Technical specifications

Measuring range:

500V/1000M (506S)

1000V/2000M (1006S)

Basic accuracy: $\pm 5.0\%$

ACV: 600V, $\pm 5\%$

Dimensions: 100x150x45mm

Battery: 1.5Vx4, AA size

Weight: 320g, approx.

Accessories: carry case and alligator clips

REF: 041006X09A0/08E0

✓ CE (EMC), UL, CE (LVD)

Sinometer
