

REF: 01M300C0000

☑ CE (EMC), ☐ UL, ☐ CE (LVD)

MT300C

INFRARED THERMOMETER

- Non-contact measuring
- Built-in laser targeting with On/Off switch
- 3 digits LCD with yellow green backlit
- Displays in °C
- Auto data hold, auto-power off (15 seconds)
- Used for food, safety inspect, fire inspect, power vehicle and diesel engine plastic factory, etc

Technical specifications

Range: -25°C~300°C

Resolution: 1°C

Response time: 0.5 sec

Accuracy: ±2%+2°C

Laser output: <1mW

Spectral response: 8~14um

Emissivity: preset at 0.95

Field of view: 10:1

Battery: 9Vx1, 6F22

Dimensions: 163x50x79mm

Weight: approx. 148g (incl. Battery)

Strometer
